

Social Skills Lesson Plan
Playground

Skill: Be Safe
Using man-made/natural materials safely

Steps:

1. Tour the playground collecting materials (sticks, rocks, etc) and point out man-made materials.
2. Hold group discussion about dangers pertaining to each.
3. Brainstorm creative ways to use them/play with them.
4. Make poster with reminders to hang on the playground doors.

Modeling/Role Play

1. Art project with natural materials found on the playground.
2. Write in dirt with sticks and other materials found on the playground.

Possible Materials

1. Poster board
2. Markers
3. Materials from outside

Homework:

Letter home with description and purpose
